## NOTES

## NOTES

Fusion Glass Works Inc. guarantees that all of our products are free from defects in material, and in the workmanship that would render the product unfit for its normal and recommended use. This warranty is effective from the date of purchase by Fusion Glass Works Inc.'s customer, and is non-transferable.

#### **STANDARD SEALED UNITS:**

Fusion Glass Works Inc. products come with a Lifetime Warranty against seal failure on all standard sized Fusion decorative designs, and double-glazed insulated door lites. This warranty is effective from the date of sale.

The Fusion Glass Works Inc. warranty covers 100% of the replacement cost as long as the original unit is returned. In no event shall Fusion Glass Works Inc. cover the cost of shipping, labour, removal of original unit, installation, or any other expenses or charges incurred by the customer.

#### **CUSTOM SEALED UNITS:**

All custom sized decorative units manufactured by Fusion Glass Works Inc. come with a 10 year warranty against seal failure.

All shaped decorative units manufactured by Fusion Glass Works Inc. come with a 5 year warranty against seal failure.

This warranty is effective from the date of sale. The original unit must be returned to Fusion Glass Works Inc. to be resealed.

The Fusion Glass Works Inc. warranty covers 100% of the cost to reseal the original unit. In no event shall Fusion Glass Works Inc. cover the cost of shipping, labour, removal of original unit, installation, or any other expenses or charges incurred by the customer.

#### **REPLACEMENTS:**

If Fusion Glass Works Inc.'s customer chooses to replace the original unit rather than return the unit for reseal, the warranty will only cover 50% of the cost of the replacement unit. The replacement unit may be slightly different from original unit.

#### **EXCLUSIONS:**

- The Fusion Glass Works Inc. warranty does not cover any breakage of glass or defects incurred during cleaning, maintaining, finishing, glazing, or during shipping, handling, and installing.
- Small visual defects such as bubbles, lines, slight surface imperfections or discolouration are not considered to be defects under this warranty. A small scratch that cannot be seen within 3 feet of the unit will not be considered a defect under this warranty.
- The Fusion Glass Works Inc. warranty does not apply to units that are subjected to extreme temperatures or extreme weather conditions.
- The Fusion Glass Works Inc. warranty does not apply to units that are over 20 sqft.

#### **CLAIM POLICY:**

- It is the responsibility of the customer to inspect the product immediately upon receipt.
- If the customer discovers a defect that is covered under this warranty, Fusion Glass Works Inc. must be notified immediately.
- In the event that the customer inspects the unit at a later date and discovers a defect (ie. External scratches), it will be under Fusion Glass Works Inc.'s discretion to determine whether or not this defect will be covered under the warranty.
- The customer of Fusion Glass Works Inc. is responsible for providing the original purchase order number, as well as the year of the original purchase.

**Fusion Glass Works Inc. has no obligation with respect to defects discovered once the product has been installed.**
